A pie chart with two slices. The large black slice is labeled 'Slice0' and the small white slice is labeled 'Slice1'.

A pie chart with a large black slice labeled 'Slice0' and a small white slice labeled 'Slice1'. The white slice is outlined in black and is positioned on the right side of the chart.

A pie chart illustrating two slices. The large black slice is labeled 'Slice0' and the small white slice is labeled 'Slice1'.

A pie chart with a large black slice labeled 'Slice0' and a small white slice labeled 'Slice1'.

A pie chart with a single slice highlighted in white. The slice is labeled 'Slice' in red text. The rest of the chart is black and labeled 'Slice0' in black text.

A pie chart with a very small slice removed. The small slice is white with a black outline and is labeled 'Slice1' in red text. The rest of the chart is black and labeled 'Slice0' in black text.

A pie chart with a single slice highlighted in white. The slice is labeled 'Slice' in red text. The rest of the chart is black, with the label 'Slice0' in black text pointing to it.

A pie chart with a large black area and two very small white slices. The slice on the left is labeled 'Slice0' in black text. The slice on the right is labeled 'Slice1' in red text.

A pie chart with a large black section labeled 'Slice0' and a small white section labeled 'Slice1'. The white section is outlined in black and is positioned at the bottom right of the chart.

A pie chart consisting of two slices. The first slice, labeled 'Slice0', is black and represents approximately 90% of the total area. The second slice, labeled 'Slice1', is white with a black outline and represents approximately 10% of the total area. The labels are placed outside their respective slices.

A pie chart with a large black slice labeled 'Slice0' and a small white slice labeled 'Slice1'. The white slice is outlined in black and is positioned on the right side of the chart.

A pie chart with two slices. The large slice, labeled 'Slice0' in black text, is filled with black. The small slice, labeled 'Slice1' in red text, is white with a black outline. The slices are separated by a small gap.

A pie chart with two slices. The large slice, labeled 'Slice0' in black text, is black. The small slice, labeled 'Slice1' in red text, is white. The labels are positioned outside the chart near their respective slices.

A pie chart illustrating two slices. The large black slice is labeled 'Slice0' and the small white slice is labeled 'Slice1'.

A pie chart with two slices. The large slice, labeled 'Slice0' in black text, is black. The small slice, labeled 'Slice1' in red text, is white. The slices are separated by a thin black line.
