A pie chart with two slices. The large slice, labeled 'Slice0' in black text, is black. The small slice, labeled 'Slice1' in red text, is white. The slices are separated by a thin black line.

A pie chart representing a distribution. It consists of a large black slice labeled 'Slice0' and a very thin white slice labeled 'Slice' in red text.

A pie chart with two slices. The large slice is black and labeled 'Slice0' in black text. The small slice is white with a black outline and labeled 'Slice1' in red text.

A pie chart representing a distribution. The chart is divided into two sections: a large black section labeled 'Slice0' and a small white section labeled 'Slice1'. The labels are positioned outside the chart, with 'Slice0' in black text and 'Slice1' in red text.

A pie chart with a large black slice labeled 'Slice0' and a small white slice labeled 'Slice1'.

A pie chart with two slices. The large slice is black and labeled 'Slice0' in black text. The small slice is white and labeled 'Slice1' in red text.

A pie chart with a large black section labeled 'Slice0' and a small white section labeled 'Slice1'. The white section is a thin wedge pulled out from the rest of the circle.

A pie chart with a large black section labeled 'Slice0' and a small white section labeled 'Slice1'. The white section is outlined in black and is positioned at the bottom right of the chart.

A pie chart with a large black slice labeled 'Slice0' and a smaller white slice labeled 'Slice1'. The white slice is outlined in black and is positioned on the right side of the chart.

A pie chart illustrating a distribution. The chart is divided into two sections: a large black section labeled 'Silicon' and a small white section labeled 'Slice 1'.

A pie chart with a large black slice labeled 'Slice0' and a small white slice labeled 'Slice1'. The white slice is outlined in black and is positioned at the bottom right of the chart.

A pie chart with a large black slice labeled 'Slice0' and a small white slice labeled 'Slice1'. The white slice is outlined in black and is positioned on the right side of the chart.

A pie chart with a large black slice labeled 'Slice0' and a small white slice labeled 'Slice1'. The white slice is outlined in black and is positioned on the right side of the chart.

A pie chart with two slices. The large slice, which is black, is labeled 'Slice0' in black text. The small slice, which is white, is labeled 'Slice1' in red text.
